To Whom It May Concern:

I am writing this letter of recommendation in support of Mr. Sidney Bryant as he seeks to expand his efforts as a motivational speaker.

I met Sidney during his work as a Technology Student Association (TSA) state officer while he was still in high school. In addition to his commanding stage presence, I was impressed with his strong work ethic, positive attitude, and outstanding character. These traits are ones that I do not often see in adults, much less teenage students. I am sure Mr. Bryant's experiences in entrepreneurship, film-making, teaching, and pastoral work have further strengthened those traits.

When I am looking for individuals to motivate and inspire others, Sidney is the type of person I try to find. I am happy to provide this letter as a testament to his professionalism, public speaking skill, and overall character and I am confident that he will work tirelessly to make sure his clients receive superior service and quality results.

Sincerely,

Tim Schmitt, Ed.D.
