THREE

Sidney is the Founder of Compel Inner-Province, LLC. He also serves as the Writer, Director and Executive Producer of the company's film division Compelling Pictures. As an indie film company, the company has successfully produced two feature films *Even Eye* (2012), *Surrender* (2015) and a host of short films. In an interview with WALB's Irisha Jones, Sidney stated "My movies send messages of love, hope and change." which further shares the overall vision of Sidney's ministry. Everything Sidney embarks upon is for the building of the Kingdom of God. Sidney has had the opportunity to speak with groups of students as small as 5 to as large as 25,000 in efforts to inspire students all over Georgia through motivational speaking and workshops with notable organizations such as Georgia TSA and other private events. Sidney was trained by Bryan Fiese in public speaking in 2008; he also attended several workshops provided by the Department of Education for public speaking and speech improvement. In 2016, Sidney felt it was necessary to reflect upon the many principals taught to him and used them to propel his life forward- making it apparent that he still had an audience outside of the church who would benefit from hearing his many messages in hopes that it may change lives. The Bureau of Compellers was later formed under his newly established company Compel Inner-Province LLC.

MANHOOD

MANHOOD DEFINED ACCORDING TO TBC

The Bureau of Compellers firmly believe that manhood is the cognitive-yet cultivating state in which juvenile behaviors are obsolete. The disposition of a man is to (1) protect his beliefs, morals and faith, (2) produce sustainability and security and (3) project light into the lives of others who can not see their way out of darkness.

LEGENDARY

The Bureau of Compellers believe that being legendary is a humane exposition that collaborates an honorary lifestyle that reflect distinctive values in which an individual's qualities are unique and profound. As a man you have to first identify your purpose and actively work towards crafting and perfecting the treasures within.
